Boeing Honors Altair with 2011 Performance Excellence Award

PLANO, TX (June 19, 2012) – Altair Global Relocation is pleased to announce that the company and its employees have been recognized as one of The Boeing Company’s *Performance Excellence Award* recipients for 2011, in acknowledgment of the outstanding customer service that Altair provides in support of Boeing’s relocation program.

“Every day, each Altair employee strives to have a positive impact on our clients, and this award proves our commitment and dedication to quality service,” says Gail Plummer, Chief Executive Officer and co-founder of Altair. “It is truly an honor for us to be recognized for this achievement by such a dynamic client known worldwide for their own stellar performance standards. We are appreciative of the continued success of the partnership between Boeing and Altair.”

Out of over 29,000 global suppliers for Boeing, Altair is one of just 529 organizations who were selected for the 2011 *Performance Excellence Award*, and the only relocation management company to ever be chosen.

Altair Global Relocation is an independent, full-service relocation management company offering a comprehensive selection of U.S. and international mobility solutions. Altair’s clients are some of the most recognized names in today’s global business community.

Founded in 1989, Altair is the largest certified woman-owned relocation management company and one of the largest relocation management companies based in the United States. Altair services are coordinated from U.S. regional service centers in Plano, Texas; Shelton, Connecticut; Walnut Creek, California; and Minnetonka, Minnesota; and from our EMEA office in London. The global headquarters office is in Plano, Texas.
